### Floating Dragon book by Peter Straub - ThriftBooks

This is a great Novel by Peter Straub (though my favorites are Ghost Story, Shadowland and Koko). Normally Peter Straub has a distinct style from Stephen King, but in the case of Floating Dragon, I feel Peter Straub outdoes Stehpen King in a Stephen

King like novel.

FLOATING DRAGON. AFTER TEN YEARS IN DUBLIN AND LONDON, my wife and I moved back to the United States with our our two-year-old son in the summer of 1979. We were so out of touch with American realities that to us Cape Cod, Long Island, and Connecticut's Fairfield County seemed within a hour or two drive of each other and more or less identical.

## **Floating Dragon: A Thriller by Straub, Peter - Amazon.ae**

FLOATING DRAGON does offer some tender pages toward the end, if you have the stomach to read that far. I must say that I was horrified but not at all surprised to learn that Peter had virtually committed artistic suicide half-way through the book — he purchased a “word processor.” Thenceforth, he processed words instead of writing them.

## **Floating Dragon by Peter Straub - Goodreads**

Floating Dragon is a typical example of Straub's talents and thematic concerns, a long novel filled with ghostly - or perhaps not ghostly - doings, upper middle-class marital strife, vaguely malevolent children, somewhat experimental narrative disjointedness, the disorienting conflation of place and time, and a self-consciously literary narrator, a pedigree that's at once John Cheever and M.R. James.

## **Floating Dragon: Amazon.co.uk: Straub, Peter ...**

Floating Dragon is a horror novel by American writer Peter Straub, originally published by Underwood-Miller in November 1982 and G.P. Putnam's Sons in February 1983.

## **Floating Dragon: Straub, Peter: Amazon.com.au: Books**

Floating Dragon feels at times as if Straub maybe felt that he was going to die at some point in the next year or two, and figured he'd better get everything he'd ever had to say out in one go. That's almost certainly an unfair assessment, and even if it is fair, it's uncharitable on the face of it.

Floating Dragon “Here is a novel guaranteed to double the national nightmare quotient, so watch out!” —Cosmopolitan “Buy it today. Anything by Straub is worth several thousand John Sauls and a

million V. C. Andrews." —The Philadelphia Inquirer  
"A deliciously imaginative story of hauntings and monsters." —San Francisco Chronicle

### **Floating Dragon - Peter Straub**

After the success of Ghost Story and Shadowland, Peter Straub wanted to try his strenght in tales that do not involve anything supernatural. Floating Dragon, published in 1983, was to be his final horror novel for a long time - till the 1999 return to the genre with Mr X. As a novel, Floating Dragon operates on the ever familiar canvas of "horror in a small town", popularized in the 70's by ...
