### **Amazon.com: The X-Files: Goblins eBook: Grant, Charles ...**

Typical X-Files book that is true to the series. I enjoyed it and will try some of Grant's other works. Decent X-Files books are hard to come by unless you want a graphic novel (comic book) and I appreciated this one.

## Read Free Goblins The X Files Charles L Grant

Published in 1994, Goblins was the very first novel based on The X-Files television series, which at that time was relatively new, original, and growing in popularity. The action, in this case, takes place not long after the X-Files had been shut down and then reopened by the FBI (which basically puts it somewhere in the second season time period).

## Read Free Goblins The X Files Charles L Grant

The X Files: Goblins, was a book that was easy and fun to read. Without being difficult and mind boggling, it's a great book to just kick back and relax without thinking to much. While this is a plus, I would've enjoyed a little more mystery instead of being so blunt and obvious. Other than that, I quite enjoyed this book.  
4/5

## **Goblins The X Files Charles**

Reviewed in the United Kingdom on 11 September 2018 For the first X-Files novel that was not based on an existing plot-line, Goblins was unfortunately pretty weak. The plot played through like a mediocre Monster of the Week episode, as Mulder and Scully are sent to investigate a couple of murders perpetrated by an invisible assassin.

### **Goblins (The X-Files, Bk. 1): Grant, Charles ...**

The idea behind Goblins is something I could easily have seen in an episode of the X Files in the early years of its run, which was when this book was written. Now for the bad news. The writing in some parts is pretty rough. For some reason Charles Grant felt the need to refer to Scully as Dana every so often and it seemed awkward and not quite right.
