Page 1 Instruction Manual... Page 2 Overboosting may cause damage to the engine. • Be sure to find out what the safe boost pressure is for your vehicle. • GReddy Performance Products, Inc. is not responsible for any engine damage caused by overboosting (increased boost). • Never tune the e-manage while the vehicle is moving.

GReddy

The GReddy e-manage Ultimate is as close to a stand-alone management system as you can get while maintaining the best features of a "piggy-back" engine management; an economical price, the usage of existing sensors, the ability to easily alter factory settings and not having to tune from scratch. But unlike the original e-manage, the Ultimate is more refined, requiring specific application ...
